COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On p. 2 of the Notice of Allowability, the Examiner indicates:

The primary reason for the allowance of the claims in this case, is the inclusion of the specific binder with oxidizer and fuel that are included in the independent claims, in combination with the other elements recited, which is not found in the prior art of record.

Applicants concur with the reasons as stated by the Examiner insofar as they comprise a summary and are exemplary and not limiting. However, the independent claims as allowed include other and different language than that specified by the Examiner, and the allowed dependent claims include other and further features and elements. Accordingly, the scope of the

Serial No. 09/893,336

claims must be determined from the literal language of each as a whole, as well as equivalents thereof.
